

April Edenfield

After receiving my Bachelor Degree from James Madison University in Virginia, I served in the ministry of Campus Crusade for Christ for 10 years. During the seven years I spent on the mission field in East Asia, I completed the course work for a Masters Degree in Chinese Society at Fudan University in Shanghai. In 2012, my family returned to the U.S. and I earned a Master of Arts in Biblical Studies from Reformed Theological Seminary in Orlando, Florida. Upon moving to the Treasure Coast in 2016, I began teaching in the high school program at FBCS. As of this summer, I received my teaching certification for grades 6-12 in the state of Florida.
