

Pamela Spencer

I have obtained a Bachelor of Science in Nursing and a Master of Nursing with a focus in teaching, leadership, and research from the University of Alberta, Canada. In addition, I have about 8 years of personal and professional experience in teaching, leading, and mentoring teens in employment and church settings. I have 5 years of experience homeschooling our own children. I enjoy walking along the beach, collecting seashells. As a Science Teacher, I look forward to working with students to increase their knowledge academically while encouraging them in their relationship with Jesus Christ. A lifelong favorite Bible verse of mine is Psalm 37: 4 (NKJV) "Delight yourself also in the Lord, and He shall give you the desires of your heart."
